

LEA

A Funding Opportunity for School Districts

LOCAL EDUCATION AGENCY MEDI-CAL DIRECT BILLING OPTION

The LEA Billing Option Program, administered by the Department of Health Care Services (DHCS), allows school districts, COEs, SELPAs and Community Colleges to receive reimbursements for providing nursing and nutritional, mental health, speech, occupational therapy, physical therapy assessments and services to students who are covered by Medi-Cal. TRACKING SERVICES

MBT owns and continues to develop our industry leading, web-based software- OptiClaim.

- An efficient experience for practitioners to track, submit, and report on services provided to students
- Used by over 200 LEAs in California and continues to be the preferred system for program compliance and optimized reimbursements

CUSTOMER SERVICE

MBT'S signature high-tech, high touch service model is designed to optimize program utilization and minimize burden on staff.

- Team of experts manage entire LEA reimbursement process from start to finish so practitioners can focus on their students
- MBT staff is available for in person or virtual trainings and meetings throughout the year

PROGRAM COMPLIANCE

Program compliance is of the utmost importance to MBT. Along with our industry-leading OptiSuite of software solutions, MBT staff provide annual analysis of program performance. Our team is hands-on during audits providing support at each step. It is our belief that reimbursements are only good if they can withstand an audit.

CRCS

MBT'S CRCS specialists work with your business office to collect the necessary data to complete the CRCS report. Hundreds of CRCS reports are completed each year by MBT. We stay abreast of all the DHCS CRCS trainings and publications to make sure your CRCS is done accurately and timely.

The MBT Difference

- World class service | In depth analysis for program optimization
- Training options to suit your district
- Unprecedented program support | Industry-leading compliance record

MBT is much more than just the California Medi-Cal billing expert - we are a partner dedicated to the success of our community and children.
